Scholarship Application for our Leaders of Tomorrow

SCHOLARSHIP PROGRAM OVERVIEW

Our College is a place that inspires our community. The scholarships for our *Leaders of Tomorrow* are available to students who are confident, creative and aspirational. They are for students who have a deep sense of pride for themselves and the College. Our *Leaders of Tomorrow* Scholarship recipients will embrace learning and achieve their potential whilst strengthening their emotional, social and physical wellbeing. The student will have a willingness to engage with a broad range of opportunities.

Baringa State Secondary College in conjunction with the Parents and Citizen's Association is offering scholarships to students enrolling in Year 7 in 2025 and current Year 7, 8, 9, 10 and 11 students. These scholarships reward students who have strived to achieve academically (but do not have to be a straight A/B students), are good role models to their peers/others in society and who are active participants in community, sporting and/or cultural activities. They do not have to engage in a leadership position at the College, however, need to demonstrate leadership in their chosen field. The student will show attributes of a future leader.
